Join us on the water for an exciting day of fishing or hunting. Together we will venture out on of the world famous fishing waters of the Great Lakes! Adrenaline Outfitters LLC. Sportfishing Charters runs all custom rigged Starcraft fishing and hunting boats. All boats are fully equipped with state of the art Lowrance electronics (Sonar/GPS/Radio) and specialized fishing gear. Insured and inspected.

Captain's Background

Captain Greg Yarbrough is a charter captain with over 24 years experience on the Great Lakes and connecting waterways. Greg is a touring professional walleye angler who has been competing at the professional level since 1999. Greg grew up in Gibraltar, Michigan on the lower Detroit River and Lake Erie. His interest and ambition to fish and learn new waters has driven him to travel all over the country since the age of 12 to begin mastering new techniques. Greg has been a touring professional angler on the following circuits. PWT (In-Fisherman Professional Walleye Trail), FLW –RCL(Wal-Mart FLW walleye tour), Cabela's MWC and the AIM Professional walleye circuits. Come fish with Greg and learn some of the incredible techniques he has learned over the years while traveling to different locations. Capt. Greg's goal is not to simply add to the guest's daily limit. He is completely devoted to providing a quality day on the water with education and demonstration being his key focus. Greg wants you to learn how to run the equipment, set up the tackle and gear, and learn new presentations. He wants you to get something more out of the experience than just a limit of fish. Captain Greg is licensed by the United States Coast Guard. His boats are fully insured and inspected by the Michigan and Ohio divisions of natural resources. Safety, education and great memories on the water are what Captain Greg wants all of his guest to experience. Give us a try! You will not be disappointed!

Dates

March- Big Northern Pike, Perch (**Detroit River**)
